

Board of County Commissioners Agenda Request

Date of Meeting: May 6, 2008
Date Submitted: April 16, 2008
To: Honorable Chairman and Members of the Board
From: Marlon Brown, County Manager
Robert Presnell, Public Works Director
Subject: Approval of Award of Bid (08-02) to Gulf Atlantic Culvert for
Culvert Pipe

Statement of Issue:

This agenda item seeks Board approval to award the County contract for the supply of culvert pipe to Gulf Atlantic Culvert. There was only one bid received, Gulf Atlantic culvert.

Background:

The Public Works Department started utilizing asphalt coated culvert pipes approximately nine years ago due to the increased life span of this particular pipe. The contract for the supply of this pipe is bid annually.

Analysis:

The Public Works Department will continue to utilize asphalt coated pipe from the low bidder on an as needed basis. The use of these pipes to convey storm water is necessary due to the amount of new roads constructed annually and the replacement of existing pipes.

Fiscal Impact:

It is estimated that the Public Works Department will spend approximately \$140,000 this budget year for asphalt coated culvert pipe to accomplish road paving and driveway maintenance.

Options:

1. Approve the awarding of the bid to Gulf Atlantic Culvert.
2. Provide other direction.

Recommendation:

Option 1
